Dear Sir:

A Filing Receipt dated March 8, 2002 was received and the following needed correction as noted:

Please correct the Title of the Invention to read "**SYSTEM AND METHOD FOR WIRELESS ACCESS TO PAY PER VIEW PROGRAM GUIDE** " instead of **SYSTEM AND METHOD FOR WIRELESS ACCESS TO PAY VIEW PROGRAM GUIDE** as shown on the attached sheet, to conform to the Title on the title page of the application. It appears that the word "PER" was omitted from the title by mistake in the computer by the United States Patent Office.

Also, please add the necessary corrected inventor information as shown on the attached mark-up copy of the Filing Receipt. In particular, please add the address for inventor Lupulescu and add complete inventor information for inventor, Chris Stewart, whose name was inadvertently omitted from the original application transmittal sheet.

This Letter of Correction of the Filing Receipt is being submitted with the Response to Notice to File Missing Parts dated March 8, 2002.

Please associate the application with Customer Number 020991.

Respectfully submitted,  
RUBEN D. LUPULESCU, et al.
